Financial. U. S. 7-30 LOAN

THIRD SERIES. \$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third servies of Treasury Notes, bearing seven and three-tenths per cent, interest per annum, known as the

7-30 LOAN. These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the op-

U. S. 5-20 Six Per Cent.

tion of the holder into

GOLD BEARING BONDS. These Bonds are now worth a handsome premium, and are exempt, as are all the Gov-RENEWER-That splendid preparation for ernment Bonds, from State, County and Munithe Hair, which is fast becoming so popular, cipal taxation, which adds from one to three per cent, per annum to their value, according to the No one who has used it will ever give up rate levied upon other property. The interest is payable semi-annually by coupons at-tached to each note, which may be cut off and

sold to any bank or banker. The interest at 7-80 per cent, amounts to One cent per day on a \$50 note. Two cents per day on a \$100 note, Ten cents per day on a \$500 note. Twenty cents per day on a \$1000 note.

One Dollar per day on a \$5000 note. Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent., instead of 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at

The delivery of the notes of this third series ure, FRAGRANTLY SCENTED, and ex- of the Seven-thirtles will commence on the tremely BENEICIAL in its action upon the list of June, and will be made promptly and

continuously after that date. The slight change made in this conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. In currency. This is

THE ONLY LOAN IN MARKET Now offered by the Government, and its superior advantages make it the

Great Popular Loan of the People Less than \$230,000,000 of the Loan authorize by Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the

case on closing the subscriptions to other

Loans. In order that citizens of every town and sec tion of the country may be afforded 'facilities for taking the loan, the National Banks, State Banks and Private Bankers throughout the ountry have generally agreed to receive sub eriptions at par. Subscribers will select their own agents, in whom they have confidence and who only are to be responsible for the delivery of the notes for which they receive

The Latest News.

New York, July 22.—The Herald's New Orleans correspondent says:
The Feche district, in Louisiana, is at present infested by a desperate band of guerrilla thieves, who have so far defied all the efforts of the national troops with the assistance of the citizens to capture them. They not only plunder the rural districts, but have on several occasions entered Franklin and other towns and robbed the stores.

A movement for inducing Northern-

A movement for inducing Northerners to emigrate to the South to settle and cultivate the lands of the reorganized States, have been taken by two North Carolina gentlemen, who are now in this city for the purpose of furnishing information to those desirous of seeking new homes in that region. These gentlemen, who have large quantities of land to offer for sale, say that the North Carolinians generally are glad that their State is rid of slavery, and are anxious to have it filled up and developed by Northerners.

and developed by Northerners.
